

Port Huron Spring Fling

The goal of the tournament committee is to bring back a larger scale salmon/trout fishing tournament to the Port Huron downtown area. In 2009, this was done at a smaller scale and 25 boats participated. With a bit of work the committee has decided to expand the event thru sponsorships, and make a larger event with a larger prize purse. The proceeds from this event will go to the Blue Water Sportfishing Association. In 2009, the BWSA constructed a new fish cleaning station located at Desmond Marine which will be usable during the event. The BWSA also is involved in numerous other fishing activities around the Great Lakes.
